## Menu / Cost

At the restaurant we will have a “Nordic Buffet” at a flat rate of approx. 45 EURO per person. The restaurant has been informed that guests will pay individually and on-site for their expenses. Expect 50-60 EUROS per person incl. drinks and tip.

## Public Transportation

It's best to get to the restaurant by public transport: From TUHH walk back to the S-Bahn station “Harburg Rathaus” and take line S3 (not S31) in the direction of “Pinneberg” and stay on the train past the main station all the way to the stop “Landungsbrücken”. This will take approx. 25 minutes. There, exit to the south and walk 5 minutes to the west and then take the stairs up the hill till you find the entrance on the south side of the hotel (facing the river Elbe).
